Where to Find a Survivorship Plan

No template exists for surviving cancer, so after treatment ends, many survivors go home without an understanding of what's next. But some hospitals and organizations, including those listed below, have stepped up and created survivorship templates for every person diagnosed with cancer.

University of Pennsylvania Abramson Cancer Center's OncoLife

www.oncolink.org/oncolife/

American Society of Clinical Oncology's patient site Cancer.Net

www.cancer.net/patient/Survivorship/ASCO+Cancer+Treatment+Summaries

Memorial Sloan-Kettering Cancer Center

www.mskcc.org/mskcc/html/82055.cfm

(Note that this is a blank form with information that must be filled in by your doctors.)

Lance Armstrong Foundation's Cancer Survivor's Medical Treatment Summary

www.livestrong.org/site/c.khLXK1PxHmF/b.2662847/

The Cancer Survivor's Prescription for Living published in the American Journal of Nursing

www.nursingcenter.com/library/static.asp?pageid=721732

(Note that this is a blank form with information that must be filled in by your doctors.)
