International Thyroid Cancer Survivors' Conference

EDITED BY ELIZABETH WHITTINGTON

The Thyroid Cancer Survivors' Association will feature more than 50 speakers and more than 80 sessions at its annual conference. The educational gathering offers an opportunity to learn about advances in treatment and follow-up care, insurance and employment issues, coping skills, clinical trials, and more. The conference will be held October 17-19 in St. Louis, Missouri. Find details at www.thyca.org or call 877-588-7904.
