If you know a woman currently undergoing chemotherapy, tell her that there is a cleaning service that provides FREE housecleaning once per month for four months while she's in treatment. All she has to do is sign up and have her doctor fax a note confirming the treatment. Cleaning for a Reason will have a participating maid service in her area arrange for the service. Click here to to learn more <http://www.cleaningforareason.org/> This organization serves the entire Country and has 547 partners to help take the tough work of housecleaning off of women in need. So spread the word and let them know that there are people out there that care-- and clean!
